

## COMPLIANCE DECLARATION

**COMPANY:** **ALBERICI S.p.a.**  
Via Miglioli, 23  
40024 Castel San Pietro Terme (BO)  
Italia

**EQUIPMENT:** **HOPPERKID coin dispenser**

**Legal representative:** Fabrizio Alberici

**REF. REGULATIONS<sup>(1)</sup>:** CEI EN 55014-1 (1998/04): Electromagnetic Compatibility – Immunity requirements for electrical appliances, tools and similar equipments. Part 1.  
CEI EN 55014-2 (1998/10), CEI EN 61000-4-2 (1996/09): Immunity against Electrostatic discharges (ESD), 4 kV contact, 8 kV air  
CEI EN 55014-2 (1998/10), CEI EN 61000-4-2 (1997/11): Immunity against radiated electromagnetic fields, 3 V/m AM 80%, 1 KHz  
CEI EN 55014-2 (1998/10), CEI EN 61000-4-4 (1996/09): Burst Immunity, 1 kV common and differential power supply  
CEI EN 55014-2 (1998/10), CEI EN 61000-4-6 (1997/11): Conducted disturbances immunity, 3 V 80% AM 1 KHz  
CEI EN 55024 (1999/04), CEI EN 61000-4-8 (1997/06): Magnetic field immunity. (net frequency), 3 A/m 50 Mz  
CEI EN 60204-1 (CEI 44-5, 2006/10): Safety of Machinery - Electrical Equipment of Machines  
CEI EN 60950 (CEI 74-2) (2000): Low Voltage – Electrical Safety  
CEI EN 50081-1 /1993), CEI EN 50082-1 (1992): Electromagnetic compatibility. Conducted emissions, Irradiated emissions  
CEI EN 55022-A1 (1995): Information technology equipment - Radio disturbance characteristics - Limits and methods of measurement Class B

(1) The Regulation documents referred to must be considered as inclusive of the relevant modifications up to the date of this certification

With reference to the results of the tests as shown in Testing Report nr. 4906-01 of Studio Tecnico PAGANI s.r.l., Rif. (4446/757)4446ce3.doc of 13 July 2007, concerning the Immunity to the Electromagnetic fields, performed on the Alberici HopperKid coin dispenser, the Manufacturer hereby declares that the above said product complies with the above mentioned Regulations, and that it fulfils the following Directives:

- CEE 89/336, relating to Electromagnetic Compatibility and following modifications
- CEE 73/23, relating to low voltage electrical equipments

Castel San Pietro Terme, 20/07/2007
